

April 吉日. 2022

For all the Parents of **Isobe**Elementary SchoolToyohashi City Board of Education
Kazushi Ishikawa
Head of Lifelong Learning Division

About the 「Nobiru de School」 for the Year 2022

We would like to express our gratitude to all.
This second semester of 2022 the 「Nobiru de School」 in your school district will open.

We will implement this, please feel free in using the facility.

- Goal The 「Nobiru de School」 is a place where they can study after school and can meet/ communicate with other people. Be involved with different activities. And the goal of this after-school learning is to develop the physical and mental health of the children. To enrich the children's ability in communicating with others, experience fun and broaden their knowledge.
- Target Children from grade 1 to grade 6 and had submitted thier application earlier.
- Days of activity From the second semester of 2022,
2 or 3 days in a week
※ For the district **Isobe**Elementary (Tue) (Fri) and (Tue) (Thru) (Fri)
- Teachers Instructors Teachers or club instructors.
That has an experience with club activities
※ Culture, Arts, Sports and Educational class etc.
- Registration Please register on the 15 of the previous month, using the QR code that is at the right.
※ The registration for September will start at July 16 (Saturday) until August 1 (Monday) only.
※ After the registration it will be effective for that month.
※ After the registration we will send a calendar of activities of the whole month by an email, please select the specific day from August 16 (Tue) to 23 (Tue)
- Others ○ Please use the QR code to know more details 「About Payments」 「Date and Time of activities」 「Rules and Regulations」 etc.
And for more information please watch the video about

「Nobiru de School」.

- Planned activities can be seen at the bulletin board of each schools by scanning the QR code.(The yearly planned schedule will be posted on May 9 (Monday)
