The theme for 2022 is "I was really happy at Iwata Elementary School." Thank you to all the members who participated. Dear PTA officers in 2021, Thank you for your hard work for one year.

Greetings from
Chairman Asakura

My favorite foods are "Olive" ramen and lasagna of "nostalgia" restaurants ♪

I'm Shinichi Asakura, the chairman of the PTA at Iwata Elementary School in the 2022. I'd like to effort to "I was really happy with the children at Iwata Elementary School," and "I was really happy with the PTA." Especially in these days, people tend to be shunned just because of "PTA activities". But I think it's a really cool job because: (1) you can participate in elementary school events that you can't usually see, (2) your child will be happy to see you at school; (3) you will be able to make strong connections with teachers, (4) I can enjoy the range of communication working in a non-work space; (5) I will love Iwata Elementary School, I will shout out the merits of the activity. I look forward to working with you for a year.

Cleaning the civic center(Shiminkan)

April 17 (Sun): The Iwata School District Neighborhood Association and the 2021 officers cleaned the civic center. Thank you for taking care of us for a year.

Let's ask the medicine teacher

Q: I forgot to take the medicine for lunch. It should be taken 3 times a day after eating... What should I do?

A: If you take the medicine 3 times a day, at least 4 to 5 hours later, you can take the next dose. Drink the lunch portion as soon as you notice it, and wait 4 to 5 hours or more for the next dose. It doesn't have to be after eating. If the medicine is for twice a day, 8 to 10 hours or more is needed to next dose. And, to take the medicine once a day, try to take it at the same time as possible. There is no problem with a gap of 2 to 3 hours.
